Global Publishing Company, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is a spiritual hunger out there. We have spent lifetimes meandering about oblivious to our true identity and clueless about our significant place and purpose in the cosmos. While wandering, we have felt starved for a clear experience of truth and a palpable connection to our authentic essence selves and to all of creation. None of us need to dream of self-governing spiritual freedom or to hold onto a hope for a better tomorrow. SPIRITUAL ADULTHOOD is here to inspire and encourage us to put on our mystical robes, embrace our significance and step up to our incalculable co-creative opportunities. We have the unique opportunity to participate in its emergence by becoming spiritual adults and taking our place in the cosmically ordained sacred circle. As we cross this threshold, completing our graduation from spiritual adolescence to spiritual adulthood, the choices we make thereafter will fundamentally transform all that is.
