Other poems for this book were selected because they were inspirational- they expressed hope that there could be appropriate balance among quality, ethics and profits. Although the above books were never offered for publication, they were copyrighted in the years they were completed. Contains 134 original poems. ABOUT THE AUTHOR Kasey Emm has been writing poetry (or what ever you would like to call them) his entire adult life. Inspired by his father s interest in writing, Kasey writes about his experiences in many aspects of life. This collection of poems is a reflection of, what he calls, white-collar trash. Kasey Emm resides in Northeastern Pennsylvania with his wife and children.
