Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Mary Hunter Austin (September 9, 1868 - August 13, 1934) was an American writer. One of the early nature writers of the American Southwest, her classic *The Land of Little Rain* (1903) describes the fauna, flora and people - as well as evoking the mysticism and spirituality - of the region between the High Sierra and the Mojave Desert of southern California. Mary Hunter Austin was born on September 9, 1868 in Carlinville, Illinois (the fourth of six children) to George and Susannah (Graham) Hunter. She graduated from Blackburn College in 1888. Her family moved to California in the same year and established a homestead in the San Joaquin Valley. Mary married Stafford Wallace Austin on May 18, 1891 in Bakersfield, California. He was from Hawaii and a graduate of the University of California, Berkeley. For 17 years Austin made a special study of Indian life in the Mojave Desert, and her publications set forth the intimate knowledge she thus acquired. She was a prolific novelist, poet, critic, and playwright, as well as an early feminist and defender of Native American and Spanish-American rights. She is best known for her tribute to the deserts of California, *The Land of Little Rain* (1903). Her play, *The Arrow Maker*, dealing with Indian life, was produced at the New Theatre, (New York) in 1911, the same year she published a rhapsodic tribute to her acquaintance H.G. Wells as a producer of informing, vitalizing, indispensable books in the *American Magazine*. Austin and her husband were involved in the local California Water Wars, in which the water of Owens Valley was eventually drained to supply Los Angeles. When their battle was lost, he moved to Death Valley, California.
