Candlewick Press,U.S., United States, 2013. Paperback. Condition: New. Reprint. Language: English . Brand New Book. A new sibling is just one of the surprises -- some good, some not so much -- awaiting Monty in another story for early chapter book readers. (Ages 5-7) It s because six-year-old Monty is such a great reader that he finds out about a free pair of parakeets in need of a new owner. And though Yankee and Doodle end up in his classroom, not his own house, unexpected things are happening at home as well. First there s the tooth that finally falls out, then the amazing news that Monty will have a new brother or sister. But one surprise -- the carwash his friends Ilene and Arlene find exciting -- turns out to be more of an asthma trigger for Monty than a treat. In this gently humorous adventure, Monty faces the unpredictable, everyday turns of a first-grader s life with his usual lovable charm.
