Reviews

This pdf is definitely not easy to get started on studying but quite entertaining to read through. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Poisoned Pen Press, United States, 2012. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Praise for Anchoress of Shere. This engrossing, subtle historical centers on a spiritual quest into Christian mysticism and smoothly alternates between past and present. -Publishers Weekly starred review An intense, fascinating look at religious dementia based on a medieval legend. -Library Journal Set in two different centuries, Anchoress of Shere depicts the story of a beautiful young woman, Christine Carpenter, who chooses to be walled up alive in a church in the English town of Shere. The historical records, which still exist, put the date at 1329. The 20th century chronicler of her story is Father Michael Duval, a deranged Catholic priest. Gradually, two separate sagas unfold: the bizarre world of the Middle Ages centered on Christine s entombment, and the 1967 abduction of Marda Stewart in nearby Guildford. Soon the medieval world of knights, debauchery, peasant uprisings and civil war merges into a modern hunt for a serial killer. The final piece of the puzzle is discovered in the late 1990s, revealing a gripping adventure story of love so obsessive that it spans more than six hundred years. Dr. Paul L. Moorcraft is a former war correspondent and film-producer. After 25 years of traveling, he settled in Shere to write this book. His autobiographical Guns Poses: Travels with an Occasional War Correspondent was published in 2001.
