Her books are remarkable and revolutionary in her times. They are profound, full of wisdom and have inspired thousands of people for several decades. She taught that life is a game and in order to play it well, one must learn to understand the universal laws that govern it. She showed her students and readers how to win health, prosperity and happiness by mastering the game. By sharing real-life stories, she illustrates how positive attitudes and affirmations invariably succeed in making one a winner in life - able to control life s conditions and release abundance through knowledge of spiritual law. She can be considered one of last century s most popular success teachers. Cover photography by Paul Spremulli.
