Cornerstone. Paperback. Book Condition: new. BRAND NEW, Pieces of My Heart, Robert Wagner, In this moving memoir, Robert J. Wagner opens his heart to share the romances, the drama and the humor of an incredible life. Under the mentorship of stars like Spencer Tracy, he became a salaried actor in Hollywood's studio system among other hot actors of the moment such as his friends Rock Hudson and Tony Curtis. Wagner began to appear in a number of films alongside the most beautiful starlets. As his career blossomed he met the woman who would change his life forever, Natalie Wood. They fell instantly and deeply in love and stayed together until the stress of their careers drove them to divorce. Trying to forget the pain, he made more movies and spent his time in Europe with the likes of Steve McQueen, Sophia Loren, Peter Sellers, Laurence Olivier, David Niven, Liz Taylor and Joan Collins. He would meet and marry the beautiful former model and actress Marion Marshall. Together they had a daughter, and made their way back to America, where he found himself at the beginning of a new era in Hollywood - the blossoming of television. Despite his new found success, his marriage to Marion fell apart. He looked no further than Natalie Wood, for whom he still pined. To the world's surprise, they fell in love all over again. Their life together was cut tragically short, though, when Wood died after falling from their yacht. For the first time, Wagner writes about that tremendously painful time. After a serious bout with depression, he finally resurfaced and eventually married Jill St. John, who helped keep his family and his fractured heart together.
