Get all the support and guidance you need to permanently stop not being able to speak in public! This book is one of the most valuable resources in the world when it comes to everything you need to know about making the stage!s your lack of knowledge in public speaking making your life difficult. . . maybe even miserable Does it seem like youve tried everything in your power to find your confidence and voice in front of people, and yet, despite your best intentions, youre still plagued with: Not knowing how to speak in front of large crowds Not understanding what to talk about Not knowing how to present your speech to keep peoples attention If this describes you, there are TWO things you should know. . . First, you are NOT alone! It may seem like it sometimes, but not being able to speak in front of people is far more common than youd think. I ought to know, because Ive helped dozen of people with the exact same problem (Ill tell you more about that in just a minute). . . Why Changing Your Public Speaking Issues Has Been a Struggle (And More Importantly, Why Its Not Your Fault)! This is one area you must pay attention to The second thing you need to know Its not your fault!! Let me repeat that: If youre constantly beating yourself up over your inability to control your lack of knowledge in public speaking, youre wasting valuable energy, because youre not to blame. Let me explain. . . There are several oratorical presentations and styles that are often adopted by speakers presenting information to the masses. When it comes to...
