Sally Berneathy, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Book 2 in Charley's Ghost series Amanda was in the process of divorcing her lying, cheating husband Charley when he was murdered, so she's stuck with his last name. And even worse, she's stuck with his ghost. She can't seem to get rid of his ghost, but at least she is able to go to court and get rid of his name. Elated at the small victory, she returns to her motorcycle repair shop ready to celebrate. But her assistant, Dawson, is having a meltdown because his younger brother has been kidnapped. Amanda can see the obvious pain Dawson is in, but in the two years he's worked for her he's never mentioned a brother. Is this brother real or only an avatar from one of the computer games he loves to play? Charley thinks Dawson is losing it. Amanda thinks Charley lost it a long time ago. Dawson produces an e-mail from demanding computer code written by Dawson's father as ransom for the boy. That seems a little odd. Don't kidnappers typically want large sums of money in unmarked bills as a ransom? When Dawson tells Amanda his name isn't really Dawson Page and that, since his parents were murdered two years ago, he and his brother have been living under false identities bequeathed to them by their father, she really begins to worry about him. Then she talks to his next door neighbor to find out if he saw anything, and the man wearing a tin foil hat tells her he's never seen Dawson's brother, but if somebody's missing, aliens undoubtedly took him to work in the crystal...
