

Jamaican Houses: A Vanishing Legacy

Filesize: 1.66 MB

Reviews

This ebook is definitely not easy to get going on looking at but quite fun to learn. We have read and so i am sure that i will gonna study once more yet again later on. I am very happy to inform you that here is the finest publication i actually have read inside my personal daily life and might be he best publication for possibly.

(Sister Langosh)

JAMAICAN HOUSES: A VANISHING LEGACY

Ian Randle Publishers, Jamaica, Jamaica, 2008. Paperback. Book Condition: New. Anghelen Arrington Phillips (illustrator). 3rd Revised edition. 287 x 211 mm. Language: N/A. Brand New Book. Jamaica is famous for its Georgian houses but many people are unaware of the vernacular architecture from which they evolved. Anghelen Phillips illustrates, in her distinctive and peculiar style, a wide and varied range of these buildings from all over the island. Geoffrey Pinto enhances the drawings with a brief history of these buildings, reviewing their current state and looking at the Architectural Heritage Movement in Jamaica in recent years. This third edition is an enduring contribution to the preservation of Jamaica's architectural heritage and to the foresight to those who conceived and executed it.
