Simon and Fig, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.When job cuts at Chloe Saddler's London communications firm result in an unexpected transfer to Paris, she finds herself leaving behind her friends, family, and boyfriend Scott to start a new life in the City of Light. Getting to grips with La Vie Parisienne and keeping a long-distance relationship afloat is not made any easier by the culture shock. Committing the odd French faux pas and inadvertently indulging in a few too many flirtations with her very sexy (and very taken) boss, Jean-Luc, is just the start of it. Factor in her bridezilla of a sister's wedding (the hottest event of the year in the Saddler family's social calendar), an unexpected session of hot, naked yoga, a slightly psychotic stalker, and one incredible kiss at an infamous Montmartre nightspot, and Chloe can say au revoir to her old, safe London life and bonjour to the romance, splendour, and glamour of Paris. A delightful debut that harks back to the early days of Chick Lit when heroines were flawed, funny, and forever battling for love and happiness. With quirky characters and classic comedic charm, Cocktails at Le Carmen is pure fun from page one.
