Aloe Vera: The Beauty Plant of Pharaohs: Avoid Dangerous, Chemical Products - Beauty from Nature (Paperback)

By Susan Margret Wimmer

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Aloe Vera has long been known as a healing plant, both in modern medicine and in more holistic circles. For over 4000 years this miraculous plant has led the pack in terms of medicinal uses, yet aside from application to sunburns and moisturizes, many of us do not fully grasp the depth and breadth that this hardy plant can offer us. With more than 200 nutrients buried deep within its gel filled interior, Aloe Vera can benefit us far beyond the more common uses. From minimizing scars to soothing cuts and burns, treating arthritis to easing an overworked liver, healing strep throat to eliminating constipation - it seems there is almost nothing this medicine plant can't do. With an almost endless list of uses and benefits, it pays to understand this valuable plant, and just how to use it. This guide offers a firm and complete understanding of Aloe Vera; where to find it, which strains are useful, properties, applications, doses and much more. Packed with 4000 years worth of knowledge and testing, this book is the go-to...

Reviews

If you need to adding benefit, a must buy book. it absolutely was writtern extremely perfectly and beneficial. You are going to like the way the blogger compose this publication.

-- **Orlando Abernathy**

The publication is easy in read better to understand. It is writter in basic words and phrases rather than hard to understand. You wont truly feel monotony at anytime of your respective time (that's what catalogues are for about if you question me).
