Piracytrace, Inc., 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In 1922, Emily Post famously published *Etiquette in Society, in Business, in Politics, and at Home*. The book would become a staple for how society is expected to behave. But Emily Post did not have Facebook--she did not use a cell phone--and the only Tweet she ever heard came from the mouth of a bird. While Post certainly knew manners, her book does not educate modern minds on how to act civil when we can literally carry the Internet in our pocket. If you want to know when it s okay (and not okay) to use a cell phone on speakerphone, how to leave negative feedback online, or what would be considered bad manners to post on your Facebook wall, then this book is just for you!.
