Brand New Book ***** Print on Demand *****.This book is about justice for three 8-year-old boys, their convicted teen- age killers, and celebrity intervention in justice. Reason for Reading: This is the one book in which you will find the important evidence and facts concerning the West Memphis teens who were convicted of murdering three 8-year-old boys in the Robin Hood woods. It also tells how celebrities helped in getting their release from prison. Why I wrote this book: My greatest passion is searching for the truth in real crimes. Who should read this book: Anyone who is looking for a complete account of the facts and evidence in the on-going West Memphis Three crime, and people who have heard only sound bites and seen only biased movies and are searching for the truth in this story. Who may avoid this book: CSI viewers who believe that only DNA evidence proves guilt and anyone bored by facts and evidence and would rather obtain information from viewing fantasy movies full of half-truths and false hoods.
