Taken to the worlds from his grandfather s tales, Donovan must fight in a war that has been raging for a thousand years without an end in sight. However, he has to learn fast or he will just be another name on the casualty list. With his best friend Laramie, a starship fighter pilot nicknamed Dagger, Megan the Cleric, Eric Williams the Conjurer, and an enigma only known only as The Mage, can they overcome the relentless Rinaxeans from destroying the war-torn worlds of Laeron and Torea? More importantly, can they protect Earth from Rinaxean invasion?
