Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Windows 10, the latest version of the world's most popular operating system for PCs from Microsoft, was released this year, making for arguably one of the biggest announcements in this domain in 2015. Microsoft has introduced a truckload of new features, as well as streamlined the design and made a much attempt at combining the OS with the Metro style. Are you one of those people who is dying to know all about it? We make the task easier for you in this book! Instead of traversing through a dozen links in order to find about all that this operating system offers, and still miss out on one thing or the other, here we present you with a comprehensive beginner's guide to Windows 10. Whether you're a beginner who's looking to upgrade his/her system to Windows 10, or you're an expert who already has upgraded to Windows 10 and wants to know all about the new features and tips and tricks instead of discovering them through a trial-and-error basis, you will find what you're looking for here! In this book you will learn about: The availability of Windows 10 The new features that Windows 10 introduces, and how they work The features that have been removed from the OS with Windows 10 Some things you should definitely know about Windows 10 before upgrading, to get the full picture Tips and tricks on how to use Windows 10 more effectively and easily. We hope that after reading this book, you will know all that you want to know about the OS, and also some vital things which will both help you make an informed...
