Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Most young people began dating with little or no information to guide them in choosing whom to date and whom not to date. The criteria for choosing the right person to date seems primarily to be "Is she pretty? Is he handsome? Do you like him or her?" Because people generally end up marrying someone they date, young people need to be armed with some knowledge as they start the dating process. The purpose of this book is to give teens some things to think about as they began to date. Visit the author at .
