Battelle Press, 1990. Hardcover. Condition: New. In *Ethics and Leadership*, management authority William D. Hitt addresses one of the most highly charged issues in corporate America: ethics and ethical behavior in day-to-day business. *Ethics and Leadership* promises no quick fixes or one-minute management techniques. Instead, it offers a thoughtful analysis of ethics, followed by guidance for making ethical decisions and promoting ethical behavior. It answers the need for an underlying philosophy that can guide executives beyond short-term management success to long-term leadership strategies. Ethical leaders, Hitt explains, not only do the right things but do them for the right reasons. Contents include: Importance of Morals The Good Life Leadership Styles Conflicts to Values Ethical Systems What Should Be Done.
