Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Welcome to 30 Days of Healing Scriptures, prayer points, meditations and prayers. During my recent battle with cancer there were moments and times when I could not find the words to pray. It would have been very helpful for me to have a prayer written down during those difficult times when I was in pain or very ill. Therefore, I have included at times written prayers to assist the reader, just for moments when you are unable to form your own prayers. In addition, I have included a prayer point section. The prayer point acts as a reminder to the reader to point out something important related to the scripture and/or a question to pray into. This compilation of scripture s cover a selection of areas connected to healing for the body. Everything from; stress, grief, illness, disease, word curses, bone issues, flesh issues, and judgements related to the mind, the heart and the soul. These are my favorite scriptures which have brought great hope and life to me over the years and especially during my ordeal overcoming cancer.
