

Value Stream Mapping: How to Visualize Work and Align Leadership for Organizational Transformation (Hardback)

By Karen Martin, Mike Osterling

McGraw-Hill Education - Europe, United States, 2014. Hardback. Condition: New. Language: English . Brand New Book. Winner of The Shingo Research and Professional Publication Award! Align your leadership team to deliver the highest possible value to your customers Too many organizations today suffer from silo-centric behavior and intra-organizational conflict. Yet most don't understand what's holding them back from achieving outstanding performance. Value stream mapping--an essential but underused methodology--is a proven approach to help you visualize and resolve disconnects, redundancies, and gaps in your value delivery system. More than merely a tool to eliminate operational waste, value stream mapping is a highly effective means to transform leadership thinking, define strategy and priorities, and create customer-centric work flow. In this detailed guide, business performance improvement experts Karen Martin and Mike Osterling present a practical way to deeply understand how work gets done--in any environment--and how to design improved work systems. You'll learn how to: Prepare and engage your leadership team in the transformation process Gain a deep understanding about your current work systems and the related barriers to delivering value Design a future state that enables outstanding performance on all fronts Adopt the new design and lay the foundation for...
