Excerpt from The Writings of Thomas Jefferson, Vol. 3: Containing His Autobiography, Notes on Virginia, Parliamentary Manual, Official Papers, Messages and Addresses, and Other Writings, Official and Private, Now Collected and Published in Their Entirety for the First Time The Louisiana Purchase was, by common consent, the supreme act of the administration of Thomas Jefferson as President, though he makes no reference to it in citing the features of his career which he chose to have perpetuated in his epitaph. For that commemoration he chose principles rather than acts There have been others who have framed or founded universities. There have been others who have framed statutes of religious liberty But there was only one Louisiana Purchase.
