iUniverse, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Bill and his wife Linda argue bitterly, their tempers finally leading them into the desperation of divorce just as fast as their passions once carried them into sacred matrimony. The effects of the animosity and fighting on his loved ones tear Bill, a successful engineer, apart. Although he knows his marriage is about to end, he leaves his job to guide his family through the difficult and painful transition. As Bill and Linda wage battle, the divorce lawyers look on eagerly, the emotional and financial costs rapidly mounting. The world turning against them, both parties perform shocking atrocities towards those they cherish, in a sorry display of what can make divorce so ugly. Before the destruction is complete, Bill and Linda confront their demons, isolated from all but each other. They are driven towards recovery and reason for the sake of their son and daughter, as well as themselves, but it may be too late. Final Purification explores whether it's possible to reclaim a love that's gone, protect a family from heartbreak, and emerge from divorce proceedings with souls intact.
