Quirk Books, United States, 2008. Hardback. Condition: New. Language: English . Brand New Book. One of today s hippest craft trends is amigurumi, Japanese-inspired crochet and knit stuffed dolls that have inspired crafters everywhere to create gaggles of adorable creatures. Most patterns are for little kitties, bears, bunnies, and the like, but here s an offering for those who prefer their cute a little less saccharine. Author Christen Haden combines the infamous cuteness of Japanese crafts with characters more associated with horror flicks, bad action, and sci-fi films. Patterns include zombies, ninjas, Vikings, vampires, aliens, and skeletons, to name just a few. Each of the 30+ patterns is accentuated with hilarious commentary, step-by-step instructions, and photographs of the creatures in their natural environment, so even beginners will be inspired to share in the fun.
