Motley, Vol. 5: History of the United Netherlands From the Death of William the Silent to the Twelve Years Truce, 1609 The great advocate was now to start on his journey in order to make a supreme effort both with Henry and with Elizabeth to prevent the consummation of this fatal peace. Admiral Justinus of Nassau, natural son of William the Silent, was associated with Barneveldt in the mission, a brave fighting man, a stanch patriot, and a sagacious counselor; but the advocate on this occasion, as in other vital emergencies of the commonwealth, was all in all. The instructions of the envoys were simple. They were to summon the king to fulfil his solemnly sworn covenants with the league. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
