Reviews

Excellent eBook and useful one. It can be rally fascinating throgh looking at period. You can expect to like just how the blogger create this publication.

(Myrl Schmitt)

TOO MANY CURSES

Tor Books, United States, 2013. Paperback. Book Condition: New. 170 x 104 mm. Language: English . Brand New Book. From A. Lee Martinez, the Alex Award-winning author of *Gil's All Fright Diner*, comes *Too Many Curses*. Margle the Horrendous takes special pride in never killing his enemies. Instead, the wizard transforms them into various accursed forms and locks them away in his castle. His halls are filled with his collection of fallen heroes and defeated villains. It's Nussy's duty to tend this castle. It's a lot of work, but she takes pride in housekeeping talents that keep the castle from collapsing into chaos. But when Margle suddenly dies, everything begins to unravel. Nussy finds herself surrounded by monsters, curses, a door that should never be opened, and one very deadly dark wizardess. Nussy doesn't have might or magic on her side; she's just a kobold: short, furry, and sensible. It would be smarter to walk away, but taking care of the castle is Nussy's job, and that's just what she intends to do. If only she could find time to polish the silver while beating back the forces of darkness. Fans of Douglas Adams will happily sink their teeth into this combo platter of raunchy laughs and ectoplasmic ecstasy. Publishers Weekly, starred review on *Gil's All Fright Diner*.
