In the finale of All Eyes on Us, things get rocky between Alazae and Jamier. After Alazae's postpartum depression pushes Jamier to the point that he no longer wants to come home to her, he decides to teach her a lesson by leaving. In the midst of him teaching his wife of eight years a lesson, he loses himself instead. When Alazae finds out Jamier isn't coming home, she decides to get in grown woman mode and fight for her family. Will she still want her husband after she learns about his new lifestyle? Ny Zyia tries her hand at love again when she comes across Nate, a charming college student that's not used to being tied to one woman. She doesn't want to be hurt again and keeps him at a distance while coming up with some conditions to protect herself. Will her conditions make her new boo flee or attract him even more? Kenyon and Tenayla are expecting their bundle of joy and things couldn't be better between the two, until Kenyon needs to go back to Philly to handle some business at the restaurant. With haters plotting and lurking, Tenayla fears that her husband might not make it home to her and their family. Find out how this journey ends with the crew in the final installment of All Eyes on Us 3.
