

The Clinician s Guide to Managed Behavioral Care: Second Edition of the Clinician s Guide to Managed Mental Health Care (Hardback)

By William Winston, Norman Winegar

Taylor Francis Inc, United States, 1996. Hardback. Condition: New. 2nd ed.. Language: English . Brand New Book. Managed care is a revolution impacting the practice of clinicians throughout America. The Clinician s Guide to Managed Behavioral Care, called a survival kit and must reading, helps clinicians develop and market professional services attuned to the needs of managed care systems, manage the utilization process, and reshape an office practice or hospital-based program to become more managed care friendly. It is newly referenced and updated for clinicians to continue to advocate for their patients and clients. The Clinician s Guide to Managed Behavioral Care addresses how clinicians can develop and market professional services attuned to the needs of managed care systems, how to best manage the utilization review process, how to re-shape an office practice or hospital-based program to become more managed care friendly, and how to best advocate for patients and clients. Readers will understand the history and evolution of attempts to manage mental health care costs and services as well as the emerging clinical, economic, and social trends that will continue to fuel changes in the mental health field in coming years. Importantly, this guide sensitizes readers to the perspectives...
