HOW TO READ THE LANDSCAPE (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2010. Paperback. Condition: New. Language: English . Brand New Book. Interest in the environment has never been greater and yet most of us have little knowledge about the 4 billion years of history that formed it. This book explains the principles of geology, geography and geomorphology, and shows how a basic understanding of geological timescales, plate tectonics and landforms can help you read the great outdoors. This is a highly illustrated book with a very...
