Ace Books, United States, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The stellar spin-off to the New York Times bestselling The Lost Fleet series continues as the Syndicate's civil war threatens to spread even farther into the final frontier. President Gwen Icení and General Artur Drakon have successfully liberated the Midway Star System, but the dictatorial former rulers of the Syndicate Worlds won't surrender the region without a fight. Outnumbered and led by junior officers hastily promoted in the wake of the uprising, Midway's warships are no match for the fleet massing and preparing to strike. But the Syndicate isn't the only threat facing Icení and Drakon. Another former CEO has taken control of the Ulindi Star System, the first calculated move toward establishing his own little empire. With Drakon's ground forces dispatched to Ulindi, Midway erupts in violence as Syndicate agents and other, unknown enemies stoke a renewed revolt against Icení's power, leaving both her and Drakon vulnerable to trusted officers just waiting for an opportune moment to betray them.
