

## Ducks and Geese (Paperback)

By Harry M Lamon

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Ducks and Geese is a classic waterfowl guide by Harry M. Lamon and Rob R Slocum. Of all lines of poultry keeping, duck raising is unique in that it lends itself to the greatest degree of specialization and intensification along lines which are purely commercial. On a comparatively small area thousands of ducklings can be reared and marketed yearly. The call for information concerning the methods used by these commercial duck raisers has been considerable, and since such information is not available in complete concise form the present duck and geese guide has been prepared partly to furnish just this information.
