## *Reviews*

*An incredibly great book with perfect and lucid answers. Better then never, though i am quite late in start reading this one. You will not sense monotony at whenever you want of the time (that's what catalogues are for relating to if you question me).*

The earthquakes and volcanic eruptions which within the past two or three years have desolated such wide tracts of the earth s surface are but the feeble physi cal analogues of those mightier revolutions which, within a half score of years, have overturned ancient abuses, unsettled institutions which had their roots deep in the foundations of society, have borne mankind onward in the path of progress with the swiftness of an avalanche, and are still threatening changes that may alter the entire character of our social organization. We have seen, in the last decade, slavery and serfdom abolished, the greater part of Italy rescued from the tem poral power of the Pope, the Concordat overthrown, the scepter wrested from the Bourbons of Sicily and Spain, the democratic power greatly increased in France, the franchise extended to a large body of the working class in Great Britain and to the African race in our own country, and are now face to face with two other great questions.
