Bonus Book: SUPPLEMENTS FOR HEALTH Another Perfect Summer Day in Paradise! Your Son Collides With a Telephone Pole on His Skateboard! Your Daughter Steps on Red Anthill! And You Meet the Wrong End of Your Barbecue Grill! Ah, its summer. Days are sunny and long. Evenings are warm, filled with good food off the barbecue and memorable moments with friends. Long lazy naps in the hammock and more accidents than at any other time of the year! Just by the very nature of the season it stands to reason that we expose ourselves to more potential accidents just because of the extended time we spend outdoors. Cuts, scrapes, bruises, burns and bites are hiding just around the corner. They say that an ounce of prevention is worth a pound of cure. Thats a valid point, but its impossible to avoid every potential incident. What makes better sense is to be prepared for any eventuality. That preparation includes knowing exactly what to do when you are hit with a summer emergency. No, you dont need to become a doctor or even an EMT. The solution is just a click away. Not your typical first aid book, First Aid Tips For A Safe Summer is designed to give you how to info specifically for summer emergencies. Written in simple terms, each chapter focuses on a specialized summer injury. Take bug bites for example. What some folks view as a simple bug bite could be life threatening to someone allergic to specific insect bites. An entire chapter is devoted to different bug bites and how to treat them. What kid has made it through their childhood without experiencing at least one broken...
