Random House, 2004. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Advance praise for The Death of Innocents "Once again, Sister Helen Prejean has brought her fierce intelligence, critical eye and moral passion to the subject of the death penalty. The Death of Innocents is also a detective story about the flawed ways of justice in America. Sister Helen's voice has never been more pained, more insistent or more worthy of our attention." Jeffrey Toobin "The Death of Innocents tells us with intellect, wisdom, and passion an awful truth about the administration of capital punishment in America that we won't or don't want to believe procedure arbitrarily trumps substance, maddening incompetence undermines best intentions, racism shames everyone, and innocents are executed." Barry Scheck "In Dead Man Walking, Sister Helen Prejean helped us face the questions of whether it is morally right for governments to kill the guilty. Tim Robbins and Susan Sarandon "The Death of Innocents points out the flaws of the system that exist not only in Louisiana, Texas, and Virginia, but in all death penalty states. Abolition will be a reality someday, thanks to the efforts and works of Sister Helen Prejean." George H. Ryan, former Governor of Illinois "Sister Helen Prejean remains the preeminent witness to our most persistent barbarism. Her eloquent testimony on...
