SIMON SCHUSTER, United States, 2014. Hardback. Book Condition: New. Kate Harmer (illustrator). 182 x 134 mm. Language: English . Brand New Book. A hilarious and irreverent illustrated book based on the popular Twitter feed featuring a young spunky girl who packs up her glitter pens and sneaks out of math class one Monday afternoon to traverse the railroads in search of freedom, adventure, and her own personal obsession: Justin Bieber tickets. Get ready to laugh and learn with the littlest hobo. She s only twelve years old, but a hard twelve. You ll meet her friends: Stumptown Jim (a hero who tried his best to homeschool her on the road); Tin Cap Earl (who s always up for shooting a Call Me Maybe parody video in a graveyard); Toothpick Frank (who loves Pinterest); Salt Chunk Annie (a woman of the night, whatever that means) and Hot Johnny Two-Cakes (who Tween Hobo swears she does NOT have a crush on). Find out how she survives, thanks in part to the kindness of park rangers. You ll hear her take on major cultural events ( I go off a fiscal cliff every time I go near a Claire s. ). And you ll enjoy beautiful hand-rendered illustrations that bring out the beauty in her words just like how eyeliner makes a hobo s look really pop. Often snarky and frequently ridiculous, this imaginative journal-like book includes maps, jokes, laughs, doodles, tips, hobo symbols ( House with a triangle on top means PIZZA PARTY!!!), games, stories, and more. So grab your iPhone and wrap it in a handkerchief, tie it to a stick, and let s roll!!
