THE FUHRER S RESERVE

BRILLIANCE AUDIO, 2015. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. One after another, aged Nazis are being murdered in Europe, South America, and the United States. Enter FBI Special Agent Taz Fallon, who soon discovers the killings aren t the work of a vigilante bent on revenge for the Holocaust. Instead, they turn out to be part of an elaborate plot to put a new generation of Nazis into power. And the key to the entire scheme is a huge cache of paintings looted by Hitler from Jewish families during the Second World War. In *The Fuhrer s Reserve*, Paul Lindsay weaves a tale of high stakes art smuggling, vicious homicides, and brilliant investigative prowess. Are Hitler s stolen masterpieces really hidden somewhere in Illinois? Could a secret Nazi sympathizer, known only as der Kurator, actually sell these works of art to finance a new Fascist movement? Can agent Taz Fallon, working with a beautiful young art historian, risk destroying Rembrandts, Titians, Vermeers, and countless other treasures to stop a Nazi coup? With a storyline as authentic as today s headlines, Lindsay a former, highly decorated FBI agent himself provides page-turning thrills and captivating insights into the way real world sleuths solve unimaginable crimes. It s no wonder that USA Today has written of Paul Lindsay, Step aside, John Grisham!.
