Reviews

Merely no phrases to spell out. I actually have read through and i am certain that i will gonna study once again again later on. You wont truly feel monotony at at any time of your time (that's what catalogues are for about should you check with me).
(Jaiden Konopelski)

Book Condition: New. Publisher/Verlag: Hodder & Stoughton | Queen of psychological crime Sophie Hannah returns with a new literary mystery and a puzzle that's impossible to solve. Stuck in a traffic jam, Nicki Clements sees a face she hoped never to see again. It's definitely him, the same police officer, stopping each car on Elmhirst Road. Keen to avoid him, Nicki does a U turn and makes a panicky escape. Or so she thinks. The next day, Nicki is pulled in for questioning in connection with the murder of Damon Blundy. | All she wanted to do was take her son's forgotten sports kit to school. So why does Nicki Clements drive past the home of controversial newspaper columnist Damon Blundy eight times in one day? Blundy has been murdered, and the words 'HE IS NO LESS DEAD' daubed on his wall - in red paint, not blood. And, though Blundy was killed with a knife, he was not stabbed. Why? Nicki, called in for questioning, doesn't have any of the answers police are looking for. Nor can she tell them the truth, because although she is not guilty of murder, she is far from innocent. And the words on the wall are disturbingly familiar to her, if only she could remember where she has heard them before . . . | Format: Paperback | Language/Sprache: english | 200 gr | 179x114x21 mm | 384 pp.
