2005. Hardcover. Book Condition: New. 320 Higher education is a complex package of issues which never seems to leave the limelight. The primary wedged issues are tuition cost, access, accountability, financial aid, government funding, sports and their place within higher education, academic results, societal gains as a whole in terms of international competition, and continuing education. This book examines new directions in this ever-changing, vital and controversial field which has a profound effect on society. It also examines the issues in higher education that are of contemporary and practical concern to leader, administrators, teachers, researchers and students. The most comprehensive reference tool available in the field of higher education. About The Author:- Prof. Ramesh Chandra, was born in a family of freedom fighters on July 1st. 1957 in village Bijwara, District Meerut of Uttar Pradesh.
