The Geology and Ore Deposits of the Bully Hill Mining District, California (Classic Reprint) (Paperback)

By Albert C Boyle Jr

Forgotten Books, 2018. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Geology and Ore Deposits of the Bully Hill Mining District, California The geological field work of the Bully Hill district, Upon which this paper is based, was begun July 1, 1908, and covered a period of three months. The time was found too short for a complete report and the district was again visited in the early part of July, 1912, from which time detailed study of the locality continued until September of the same year. This paper is the result of observations made in the mines in the immediate vicinity of Winthrop, Shasta county, Cal., during these two periods of study. The preparation of this report has been greatly facilitated by various courtesies rendered the writer by D. M. Riordan, President of the Bully Hill Copper Mining Smelting Co., and by John B. Keating and Herbert R. Hanley, managing officers actively. In charge at the mines. The elaboration and further study of the notes and collections were carried on in the laboratories of the Departments of Geology and Mining at Columbia University, and the writer takes pleasure also...
