

## From the Wistaria Bush (Paperback)

By Vanya Lowry

Auckland University Press, New Zealand, 2001. Paperback. Condition: New. Language: English . Brand New Book. This memoir of the Lowry family concentrates on Vanya s father Bob, talented printer and famed partygiver, and her mother Irene. It offers glimpses into Auckland s literary life of the 50s and 60s, and is illustrated with drawings and examples of Lowry s typography. As a child in the 1950s and 1960s Vanya watched her family and their friends from the wisteria bush. She offers a child s perspective of the warmth, talent and gaiety of her parents and an intimate picture of a family with grandparents, holiday places, hand-me-downs and their own jokes. However, there were too many parties and they came to an end - Bob and Irene died - and life moved on, but echoes, memories and mementoes remain.
