

## Gnomon (Hardback)

Filesize: 6.46 MB

### ***Reviews***

*Complete information for publication fanatics. It is actually rally intriguing throug reading period of time. I am happy to explain how this is actually the greatest publication i actually have read inside my own daily life and may be he finest ebook for possibly.*  
*(Ms. Heidi Rath)*

## GNOMON (HARDBACK)

DOWNLOAD

Knopf Publishing Group, 2018. Hardback. Condition: New. Language: English . Brand New Book. A Best Science Fiction Book of 2017 -- The Guardian From the widely acclaimed author of The Gone-Away World and Tigerman, comes a virtuosic new novel set in a near-future, high-tech surveillance state, that is equal parts dark comedy, gripping detective story, and mind-bending philosophical puzzle. In the world of Gnomon, citizens are constantly observed and democracy has reached a pinnacle of transparency. Every action is seen, every word is recorded, and the System has access to its citizens thoughts and memories--all in the name of providing the safest society in history. When suspected dissident Diana Hunter dies in government custody, it marks the first time a citizen has been killed during an interrogation. The System doesn't make mistakes, but something isn't right about the circumstances surrounding Hunter's death. Mielikki Neith, a trusted state inspector and a true believer in the System, is assigned to find out what went wrong. Immersing herself in neural recordings of the interrogation, what she finds isn't Hunter but rather a panorama of characters within Hunter's psyche: a lovelorn financier in Athens who has a mystical experience with a shark; a brilliant alchemist in ancient Carthage confronting the unexpected outcome of her invention; an expat Ethiopian painter in London designing a controversial new video game, and a sociopathic disembodied intelligence from the distant future. Embedded in the memories of these impossible lives lies a code which Neith must decipher to find out what Hunter is hiding. In the static between these stories, Neith begins to catch glimpses of the real Diana Hunter--and, alarmingly, of herself. The staggering consequences of what she finds will reverberate throughout the world. A dazzling, panoramic achievement, and Nick Harkaway's most brilliant...
