In Mr. Pompety Pompton and the Magic of Compound Interest your child will learn the magic of compound interest. Benjamin Franklin said: Compound Interest is The 8th Wonder of the World Albert Einstein said: Compound Interest is the worlds greatest discovery These Wealth Mentality Series are intended for the tween age, children just about to become teenagers but still in that younger mentality, children between the ages of 8-13. The purpose behind these humorous and endearing Wealth Mentality Series stories is to teach your child about a money mentality that will strengthen their money savvy for life. Its my experience that children learn best through play-acting and story-telling, which is why I choose to create these Wealth Mentality Series to help your child understand about wealth and abundance and how to set goals, and manage their abundance through story-telling. This is so that your child can enjoy the learning experience without really realizing that they are learning at the same time. Your child will truly enjoy our Mr. Pompety Pompton and our Charlie characters and they...
