The purpose of this book is to go back in time to the age of the dinosaurs and explore just what exactly the Akylosaurus was, what it did, and where it lived. It is important and fun to learn about dinosaurs because they were some of the strangest and wonderful creatures to ever live on our planet. Exploring the mysteries of our planet is an engaging and worthwhile activity for people to do, and what better mysteries to learn about than the mysteries of the dinosaurs. The dinosaurs became extinct thousands of years ago but we still have access to their bones which...
