Reviews

Very beneficial to all of type of individuals. This can be for those who statte that there had not been a really worth reading. You will not really feel monotony at at any time of your respective time (that's what catalogs are for concerning should you ask me).
(Michale Shields)

CLINTON CASH: THE UNTOLD STORY OF HOW AND WHY FOREIGN GOVERNMENTS AND BUSINESSES HELPED MAKE BILL AND HILLARY RICH

HarperCollins Publishers Inc. Hardback. Book Condition: new. BRAND NEW, Clinton Cash: The Untold Story of How and Why Foreign Governments and Businesses Helped Make Bill and Hillary Rich, Peter Schweizer, Most people assume that the Clintons amassed their considerable wealth through lucrative book deals and speaking gigs that sometimes paid as much as \$500,000 \$750,000. But who paid these fees, and why? Often foreign businessmen and governments made the enormous payments, believing the Clintons would help advance their interests. As Peter Schweizer reveals, the Clintons typically blur the lines between politics, philanthropy, and business. Consider the following: Bill flies into a third world country, where he spends time in the company of a businessman described as a "close personal friend." Introductions are made. A deal is struck usually to exploit natural resources, such as uranium, oil, or timber, on a large and highly profitable scale. Soon after that, enormous contributions are made to the Clinton Foundation from those who benefited from the deal, while Bill is commissioned to deliver a series of highly paid speeches. Moreover, some of these deals require approval or review by the US government and fall within the purview of a powerful senator and secretary of state. This scenario plays out again and again in Kazakhstan, Colombia, and other places at the "Wild West" fringe of the global economy. Often the people involved are characters of a kind that an American ex-president (not to mention the spouse of a sitting senator, secretary of state, or presidential candidate) should have nothing to do with. In this blockbuster expose, Schweizer reveals the mysterious multimillion-dollar Foundation gift from an obscure Indian politician that coincided with Senator Clinton's reversal on the nuclear non-proliferation treaty; how Secretary of State Clinton was involved in allowing the transfer of nearly 50 percent of US domestic uranium...
