The History Press Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book. Why is the Buddha a giant? Because without him there would be no Buddhism. Because he gives his name to one of the five great religions of the world, rich in philosophical, psychological and spiritual insights, with over 350 million practitioners in every country on the planet and a history stretching back 2500 years. Because he taught how to live a wiser, kinder, happier life. I believe that every human being has an innate desire for happiness. I also believe that the very purpose of life is to experience this happiness. The Dalai Lama.
