Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Even within the bounds of marriage, many couples don't freely discuss their sex life. Sexual intimacy shared between partners is a gift to be nourished and cherished for a lifetime. Within this novel, I have covered a wide range of topics like sex positions, foreplay, intimacy, managing menopause, communication, oral sex, just to mention a few. It is intended to open the marital horizon through exploration and creativity with your beloved partner. It discusses the stages of intimacy with age and maturity in your growing marriage. It may be used as a valuable reference resource as your sexual life matures, or simply reinforce what you already have discovered in your journey at present. My desire is that you will openly discuss these topics set forth in small group discussion or between your spouses. I trust the Lord will be pleased and bless this book to enrich your sex life as couples.
