## MEANS OF ASCENT: THE YEARS OF LYNDON JOHNSON

Brilliance Corporation, 2013. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Robert A. Caro's life of Lyndon Johnson continues one of the richest, most intensive and most revealing examinations ever undertaken of an American President. It is the magnum opus of a writer perfectly suited to his task: the Pulitzer Prize-winning biographer-historian, chronicler also of Robert Moses in *The Power Broker*, whose inspired research and profound understanding of the nature of ambition and the dynamics of power have made him a peerless explicator of political lives. *The Path to Power*, the first book of *The Years of Lyndon Johnson*, was greeted on its publication with a wave of acclaim, received the National Book Critics Circle Award and became a nationwide bestseller. And here, with the narrative passion and the unique gift for making us grasp the way the world really works that distinguish all his writing, Caro brings alive Lyndon Johnson in his wilderness years. In *Means of Ascent*, Johnson's almost mythic personality part genius, part behemoth, at once hotly emotional and icily calculating is seen at its most nakedly ambitious. This multifaceted audiobook carries the President-to-be from the aftermath of his devastating defeat in his 1941 campaign for the Senate the despair it engendered in him, and the grueling test of his spirit that followed as political doors slammed shut through his service in World War II (and his artful embellishment of his record) to the foundation of his fortune (and the actual facts behind the myth he created about it). The culminating drama the explosive heart of the audiobook is Caro's illumination, based on extraordinary detailed investigation, of one of the greatest political mysteries of the century. Having immersed himself for fourteen years in Johnson's life and world, tracking down hundreds of people...
