

## Seeing the True Sun: Illustrated Science

By Rolf A F Witzsche

Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. Illustrated. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.What do we see in the mind when we look at the Sun? That's a basic question. Do we see a blazing fireball powered by nuclear fusion within, in a super-hot environment where hydrogen gas is fused into helium? If this is how the Sun is seen, the viewer is deceived by a fairy tale. Fairy tales are often chosen as bed-time stories to put children to sleep. How about seeing the true Sun? It has the potential to wake society up. With the next Ice Age on the near horizon, potentially beginning in the 2050s, which cannot be recognized in the land of fairy tales, the recognition of the true nature of the Sun, that drives the Ice Age dynamics, becomes an existentially critical issue. Being asleep, we may die in the easy chair when the glaciation conditions resume. Plasma in the physical universe is as challenging in perception as the spiritual domain in the human sphere. Both are invisible, except by their effects, but they are understandable and knowable. But how does...

### Reviews

*This is basically the greatest pdf i have got go through right up until now. It normally fails to cost excessive. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
