

Memories of Milligan (Paperback)

Filesize: 7.37 MB

Reviews

This pdf may be really worth a read, and superior to other. It generally does not price too much. Once you begin to read the book, it is extremely difficult to leave it before concluding.

MEMORIES OF MILLIGAN (PAPERBACK)

[DOWNLOAD](#)

HarperCollins Publishers, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. An arresting collection of interviews, collated by Norma Farnes, Spike Milligan's close friend and longstanding agent, bringing to life the late, great Milligan in all his various guises. Heralded as brilliant and difficult in equal measure, Spike Milligan is one of the most prolific and mould-breaking writers of the twentieth century. Fantastically funny and incredibly talented, on his death in 2002, Spike left behind him one of the most diverse legacies in British entertainment history. Creative, inspirational, and at times doggedly loyal, yet famously tempestuous and fickle, Spike was many things to many people. In `Memories of Milligan', Norma Farnes sets out to interview those who knew him best, amassing an array of personal memories from fellow performers and comedians, long-time friends and former girlfriends. Compiled of intimate stories, small exchanges and habits that go into making up a relationship, be it personal or professional, `Memories of Milligan captures another side to the performer's public persona, to build a complete picture of one of the greatest British comic writers to date. Ranging from interviews with fellow comedian Barry Humphries, scriptwriters Galton and Simpson, director Jonathan Miller, stalwart presenters Michael Palin and Terry Wogan, to comic geniuses such as Eric Sykes and producer George Martin, this original book encapsulates a moving portrait of a man who is synonymous with a unique era in post-war entertainment.
