Reviews

This is actually the finest publication i actually have study right up until now. We have study and so i am confident that i am going to planning to go through again again in the foreseeable future. I am just effortlessly will get a delight of studying a published book.
(Lori Bernier)

APEX (PAPERBACK)

Voyager, 2015. Paperback. Condition: New. Language: English . Brand New Book. Author of the epic Star Force Origin series, Aer-ki Jyr's impressive galactic world-building is on full display in this stand-alone space opera adventure reminiscent of Ryk Brown, Christopher Nuttall, B.V. Larson, and Evan Currie. A new dawn is coming. It's been eons since Humans controlled the universe. Defeated by a mysterious enemy, the downfall of Humanity brought about a virtual dark age. Culture and technology stagnated in their absence. But now, trade is once again flourishing as Human artifacts resurface throughout the galaxy, resurrecting long forgotten advancements. And one such discovery might very well alter the course of the future forever. An epic space adventure, Aer-ki Jyr's APEX is a breathless race to the ultimate prize, with the very fate of the stars hanging in the balance. The Author's Definitive Edition (previous edition published in 2013).
