Brand New Book ***** Print on Demand *****.Excerpt from A Yachting Cruise in the South Seas During the last eight years I have made several voyages amongst the South Sea Islands; and although so much has been written and re-written about them, I have been induced to publish these few imperfect sketches of my last cruise by the belief that any facts relating to the manners and customs of these islanders, should not be allowed to perish. In this cruise, I was accompanied by Mr. George Smith as photographic artist, who most ably performed his part, often under the most trying circumstances.
